Dear Madam/Sir,

It is my pleasure to inform you that JICA will organize a Knowledge Co-Creation Program on "Capacity Development for Flood Risk Management with Integrated Flood Analysis System (IFAS)", J1604050 in accordance with the course information booklet attached herewith and which will be sent to you by e-mail.

JICA is ready to accept two participants from Bosnia and Herzegovina between July 3 to 30, 2016 and we would like to ask Ministry of Foreign Affairs to forward the following document for application from prospective nominees to the JICA Sarajevo Office, **by May 18, 2016:**

1. Application Form
2. Photocopy of passport
3. Nominee's English Score Sheet

Important information

Targeting organization and participant: This program is designed for a combination of government officials in charge of meteorological observation, river management, and flood prevention / evacuation of the same river basin in each participating country. This program is implemented for 3 years (3 times) for the same participating countries. Participants for 3 years are expected to have mutual relationship in their roles for flood disaster management.

Each applicant should meet requirements (such as present position, educational and occupational background, age, fluency in English, etc.), as mentioned in the information booklet.

It is preferable to submit more than two nominees for application, even though official letter informs of acceptance of two participants.

If you need any additional information, please contact the JICA Sarajevo Office at + 387 33 220 190.

Sincerely,

Toshiya ABE
