

Open Tender for the construction/creation of a "Waste Management Facility in the Prefecture of Peloponnese through a Public Private Partnership"

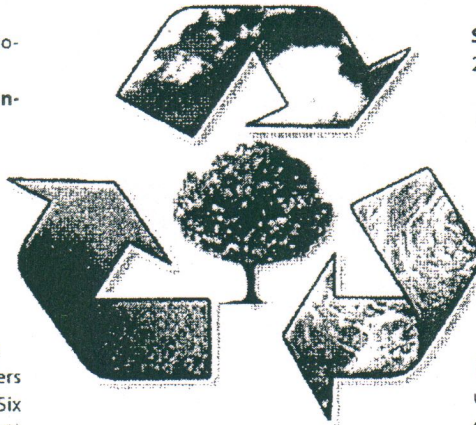

Owner of the Project: Prefecture of Peloponnese

Submission of Expression of Interest until: 29.02.2012

The project includes the: study, financing, construction, maintenance, and operation of the facility which will be used for waste management treatment in the Area of Peloponnese through a Public Private Partnership.

The Tender Process includes two phases:
1) Phase A (pre-selection), where bidders will submit an expression of interest. Six bidders will proceed to the second phase. 2) Phase B includes two stages: Open dialogue (Stage I) and Submission of Binding Offers (Stage II), according to the tender documents of Phase B.

The project will be located in areas selected by the Prefectural Waste Management Planning Department of the Prefecture of Peloponnese. The owner of the project does not specify the technology for the waste treat

ment facility. Total quantity of waste is estimated to be 200.000 tons per year. Duration of the term of the PPP is 28 years with the right to be extended by five additional years.

The tender process will be carried out according to Greek Law and the language for the entire process will be Greek.
